RE: School District of Pittsville – CEASE AND DESIST

Dear Ms. Vogel:

Please be advised that Renning, Lewis, & Lacy s.c., by the undersigned attorney, represents the School District of Pittsville (“District”). I am writing you on behalf of the District regarding your recent harassing and defamatory post on TikTok, which has resulted in millions of views and thousands of comments – many of them threatening and disturbing. Your post includes the faces of several staff members and sufficient information that members of our community have identified you and your child as residents of the District.

The District has an obligation to maintain the safety of all students, staff, and community members present on our property for legitimate purposes. Indeed, as a Wisconsin public school district, we have the responsibility to maintain an educational atmosphere, to protect educators, support staff, property, and, most important, to preserve the safety and well-being of our students who are present to learn.

We have reached out to you through local law enforcement to request that you remove the TikTok video. You initially agreed to remove the video, but did not followed through until after several hours and a second visit with the Police Chief.

Due to your conduct, the District hereby demands that you cease and desist from engaging in any additional harassing and intimidating behavior toward District educators and support staff.

The District will keep us apprised whether you comply with the above demands. If you ignore these demands, the District will report your conduct to law enforcement and explore pursuing appropriate legal action against you, which includes, but is not limited to, seeking a court order prohibiting you from continuing to defame the District and recovering damages related thereto.

Thank you for your attention to this matter.

Very truly yours,

Renning, Lewis, & Lacy, s.c.
